### Warm Ceremonies

A warm, evocative environment that is reminiscent of ancient Roman culture cocoons the body and replenishes your energy levels, helping you find inner peace.

Welcome to our exclusive Warm Ceremonies where expert skincare techniques and ancient beauty preparations relieve tension and purify the body while promoting deep relaxation.

<b>Remineralizing Ceremony</b>	<p>A journey of local scents and ancient traditions inspired by the Etruscan and Roman cultures of antiquity. After a relaxing cleanse performed with floral-infused waters, a rare olive stone powder scrub is worked into the body and face to exfoliate, illuminate, and elasticize the skin. Mineral-rich natural clays are then applied to gently purify, soothe, and detoxify. An enriching steam bath soak allows the skin to absorb all the active ingredients.</p> <p>The ritual ends with a luxurious extra virgin olive oil massage to moisturize and soften the skin.</p>	120 minutes €360
<b>Regenerative Ceremony</b>	<p>A new definition of wellness, inspired by ancient beauty practices to rejuvenate the skin. This alluring ritual begins with a stimulating steam bath, which prepares the skin to absorb the healing herbal serums. The ceremony continues with a foam purification ritual that wraps the body and mind in clouds of foam, created by natural soap, to soothe and relax the skin. A nourishing face and body mask is then applied to promote rebalance.</p> <p>The ritual concludes with a massage featuring aromatic Santa Maria Novella scented oil and herbal sachets to drain the body and deeply hydrate the skin.</p>	105 minutes €320
<b>The Silk Ceremony</b>	<p>This deep cleanse begins with a softening body wash with Iris &amp; Milk soap and the application of an antioxidant-rich serum. A steam bath opens the pores, allowing the skin to absorb the nourishing active ingredients. Next, deep exfoliation is carried out by expert hands, using a traditional abrasive glove, to sweep away dead skin cells.</p> <p>The treatment ends in the warm room with a generous application of Iris oil leaving the skin regenerated and smooth as silk.</p>	60 minutes €220
